*Castlewood - Oak Valley Neighborhood Association*

## Note from the President

It's hard to believe it's already November and a new year is right around the corner! During this time of thanksgiving, I'd like to thank each and every one of our neighbors in Castlewood and Oak Valley for making our little pocket of the world a wonderful place to live. We've hosted some fantastic events this year, and had great turnout from neighbors old and new. I also want to remind everyone of our neighborhood email list serv ([covna@freelists.org](mailto:covna@freelists.org)), which is a great resource to keep in touch with one another, as well as for local news, neighborhood business recommendations, and more. If you're not part of the list serv, sign up by going to [covna.org](http://covna.org): scroll all the way down and click the blue "Sign Up" button. There's so much great information shared by our neighbors, and no spam email ever, we promise. I hope to see you at our holiday party! Until then, and with gratitude ALWAYS, cheers to You and Yours from Me and Mine.
